Background

An Early College High School (ECHS) student in Round Rock ISD is on track to earn both a high school diploma and an associate degree from Austin Community College (ACC). Builds strong college readiness through dual-credit coursework, STAAR Masters-level performance, and competitive PSAT results. Especially interested in sports medicine, athletic performance, injury prevention, and sports and event management, combining science, leadership, and teamwork. Applies that focus through competitive soccer and lifeguarding in high-traffic venues.

Education

Early College High School, Round Rock ISD (Expected Graduation: 2028):

- High school diploma, and
- Associate degree from Austin Community College (ACC)

Academic Performance:

- GPA: 3.9600, Rank: 23/102

Work & Mentorship Experience

Lifeguard

Kalahari Resorts & Conventions, Round Rock, TX

May 2025 – August 2025

- Worked in a safety-critical environment requiring constant situational awareness.
- Performed routine inspections of assigned areas and equipment.
- Identified hazards and responded quickly to prevent incidents.
- Followed established safety protocols and emergency procedures.
- Communicated clearly with supervisors and team members during peak operations.

Junior Leader Mentorship Participant

EP Sports Academy, Austin, TX

January 2026 – Present (on-going)

- Selected for a structured mentorship program focused on leadership, responsibility, and skill development.

- Assigned a mentor to guide learning through real-world coaching, event operations, and youth program support.
- Assist with youth soccer activities including practice support, warm-ups, and small-sided games.
- Learn to follow operational procedures, manage time commitments, and receive formal feedback on performance.
- Program includes regular check-ins, written evaluations, and opportunities to progress to paid roles.

Athletics & Leadership Experience

Elite Soccer Athlete

FC Westlake Soccer Club, Austin, TX

- Operate within a structured system where individual roles affect overall performance.
- Apply systems thinking through positioning, timing, and coordination.
- Use observation and feedback to identify issues and make real-time adjustments.
- Demonstrate discipline through consistent training and performance improvement.
- Balance athletic commitments with academic responsibilities.

Skills & Strengths

- Safety awareness and adherence to procedures
- Interest in sports medicine, human performance, and injury-prevention basics
- Interest in sports and event management, logistics, and guest-facing operations
- Ability to learn through mentorship and feedback
- Team communication in operational environments
- Reliable, punctual, and accountable

Activities & Community Involvement

- Weightlifting Club: discipline, goal setting, and consistency
- Music Club: coordination, listening skills, and collaboration
- Volunteer youth soccer mentor supporting younger players
